It was Charles Perrault who introduced the fairies to the sleeping beauty, or Little Brriar Rose, and replaced the king married to a Scapolo prince. The prince's mother assumed the role of the bad queen and instead of nourishing the twins to someone else, she threatened to eat them alone. When the queen tried to throw the sleeping beauty in a vipeto pit, the prince saved her bride as a mother of her jumping to her death. Edmund Dulac's illustration The Little Mermaid was created by the Danish writer Hans Christian Andersen in 1837, about 150 years before Ariel sang under the sea with Sebastian and Flounder. Andersen's little siren endured a very much bright life compared to the bright eyes we know, and her desire to be human is very much more dramatic of how Disney lets go. They say everything is better where it is more humid, but in 1837 our little siren certainly did not think so. Andersen's sirens were creatures without a soul destined to dissolve in the foam of the sea when they died, while humans had been promised a good life to the afterlife. Terrified by his abysmal destiny, the small siren wanted nothing but a human soul, but as her grandmother explained to her, the only way in which a siren can grow an soul is to marry a man who loves her more than every Another thing, and the man should not marry her, died. An impossible task for a girl with a fish tail, right? As if the pain of a sword that crossed her was not enough, the witch cuts the tongue of the siren for the payment of her. When the small siren sees a nice prince with dark hair on the shore, his desire to be a human being only worsens, and since the desperate times ask for desperate measures, the siren visits the witch of the sea to conclude an agreement, but first must travel through thousands of thousands of thousands of thousands of thousands of thousands a ˆAreraperp :otavele otsoC nu da ebmag el ˆArad el ehc azzob anu aneris aloccip alla erffo hctiW aeS ehT ,oiredised ous li odmedeihc onisrep azneS .otalognarts e otaruttac onaveva ,aneris anu e irtelehcs ilg iserpmoc ,.asoc isaislauq a appargga is ehc ,iploP aialigim id aialigim id aialigim id aialigim you, with which you must swim to land tomorrow before sunrise, and sit down on the shore and drink it. Your tail will then disappear, and shrink up into what mankind calls legs, and you will feel great pain, as if a sword were passing through you…at every step you take it will feel as if you were treading upon sharp knives, and that the blood must flow. If you will bear all this, I will help you.As if the pain of a sword passing through her wasn't enough, the witch cuts off the little mermaid's tongue for payment.What follows is nothing but heart break. The prince loves the little mermaid, but not more than anything, and he marries another woman. The only way the little mermaid can save herself from her imminent death is to stab the prince to death, but she refuses, ending her life on earth and ocean. Illustration by Franz JÄ¼Attner Walt Disney's 1937 animated film Snow White and the Seven Dwarves closely resembles early versions by Giambattista Basile and the Grimm Brothers, but just a few small tweaks turn this tale from charming to gruesome. In some early versions, the Evil Queen is in fact Snow White's biological mother which makes her behavior all the more sinister. Disney didn't censor the Evil Queen's attempted murders, but this text from the Brothers Grimm story is horrifying: Finally she summoned a huntsman and said to him, 'Take Snow White out into the woods to a remote spot, and stab her to death. As proof that she is dead bring her lungs and her liver back to me. I shall cook them with salt and eat them.'Now imagine that Snow White is the Queen's own flesh and blood: Just then a young boar came running by. He killed it, cut out its lungs and liver, and took them back to the queen as proof of Snow White's death. She cooked them with salt and ate them, supposing that she had eaten Snow White's lungs and liver. They put a pair of iron shoes into the fire until they glowed, and she had to put them on and dance in them. Her feet were terribly burned, and naP reteP ecid ,ednarg etnemlibirret arutnevva'nu ebberas eriroM .ollirdococ nu ad otaignam eneiv kooH e eragenna da otaicsal ˆA reteP ,aiccerf anu noc otiploc otats erness opod erinom isauq ydneW iuc art ,itnaiccirpaccar enecs edulcni eirraB id oroval II .olletarf ous eredrep id eirraB id aiznafni'd azneirepse'lad agnevorp ˆAic ehc eneitir iS .etrom allad otanoissesso ˆA ,ittafni ,azzenivoig aL ad otanoissesso emoc naP a erasnep ecaip ic ertneM .eraihceveni id ilgridepmi rep itudrep izzagar i ediccu reteP :omaimussair ,irottel irtson i rep oticilpse aznatsabba ˆA non eS .eud emoc illemeg i odnatnoc ,ies onare'n ec otnemom leuq ni aM ,aruttac li reteP ,eloger el ortnoc ˆA ehc li ,erecserc onarbmes odnauq E ,aiv ˆAsoc e isiccu onognev odnauq odnoces ,oremun ni ,etnemaivvo ,onairav alosi'llus izzagar i :etnaiccalhgga etnemralocitrap ˆA ottartse otseuQ .osoizilam ehc oigavlam ˆAip ˆA naP ,eirraB id erepo ehcN .olrettabmoc a eradna da otsopsid ˆA iuc a azzehgnul al ˆA anoiznem non yensiD al ehc ˆAic am ,erecserc elouv non reteP ehc omaippaS ,irouf eneit li reteP ,eloger el ortnoc ˆA ehc li ,erecserc onarbmes odnauq E ,… .orbli otom la atattada etnemavissecucus atats ˆA ,llebrekniT e kooC niatpeC id orbilac led ltsitra noc ,aidemmoc al ,ednarg T ˆˆ ebberva ehc ozzagar li o ,naP reteP 4091 led ocoig li orevires a eirraB avatrop ˆAtraloqop aus al e naP onavaroda irottel I .2091 len itluda rep eirraB .MJ ad ottrics oznamor ni ,driB ethiW eltiL len onibmab nu emoc otattubed ah naP reteP mahkcaR ruhtrA id enoizartsullil'ˆ tattednev eclof al rep ˆA emoc ,.etrom a atallab essof is non odnauq a onif isramref a ˆAcscuir non e itaicurb etnemlibirret onare ideip ious I .oroi ni allab e elrassodni ettevod iel e onoranimulli is non odnauq a onif ocouf len orref id eprac id oiap nu ossem onnah :etrom a arutrot al evenacnaiB ,oinomirtam ous li atneuerqf avittac aniger al odnauq e ,onroig ingo etnemecilef af al evenacnaiB enif aIIA .etrom a atallab essof is non odnauq a onif isramref a avicsuir noN one of the most famous lines in the novel. lines. lines.
